SOUTHERN CALIFORNIA DX CLUB BULLETIN

President: Tom Hoyne, N6NI
Vice President: Steve Orland, AA6AA
Secretary: Perry Esten, W6PN
Treasurer: Irv Emig W6GC

Director: John Browning, W6SP
Director: Jim Stevenson, KM6B
Director: Dave Gardner, K6LPL
Director: Neil Kaltman, K6SMF (Membership)

Bulletin Editor: Art Munzig, W6PYV, P.O. Box 75095, L.A. 90075 H - 939-1525
W - 382-1107

Correspondence for the club may be sent to the Secretary, Perry Esten, W6PN,
1141 Summit Road, Santa Barbara, CA 93108.

SCDX Club 2 Meter Repeater: 144.88 IN, 145.48 OUT. DX reports have priority so
please don't delay breakers.

Meeting Announcement

NO MEETING THIS MONTH!
RENDEZVOUS AT DX '81 INSTEAD!

May 1,2,3: Holiday Inn, Visalia

Contest Calendar:

May 9 World Telecomm. Phone
May 16 World Telecomm. CW
May 30-31 CQ WW WPX CW
June 13-14 ARRL VHF Contest
June 20-21 All Asian Phone Contest

For details see CQ Magazine.

W1AW DX Bulletin Schedule

SSB 5:30 & 8:30 PM Thurs., PST, on 1835, 3990, 7290, 14290, 21390, 28590.
CW 4:00 & 7:00 PM Thurs. and 6:00 AM & 1 PM Fri., PST, on 1835, 3580, 7080, 14080,
21080 and 28080 at 18 WPM.
RTTY-ASCII 5:00 & 8:00 PM Thurs. and 7:00 AM & 2 PM Fri., PST on 3625, 7095, 14095,
21095 and 28095. RTTY 60 WPM/170Hz; ASCII 110 baud/170Hz.

SCDXC MINUTES OF MEETING, APRIL 9, 1981

The meeting held at the DWP was opened by Vice Pres. Steve Orland, AA6AA, at 8:02 PM. Visitors and members introduced themselves. The attendance at the opening was 115 present.

1. Announcements: Don Bostrom, N6IC, has rubber stamps of the Club Logo for sale at \$5.00 each; Irv Emig, W6GC, will collect the questionnaires concerning club size, activities, etc.; Jim Stevenson, KM6B, was appointed Contest Chairman at the last board meeting.; Stan Brokl, N2YQ, solicits volunteers for appointment as SCM for L.A. Section.; Stan, N2YQ, also provided some current DXCC lists and update forms.
2. Dave Bell, W6AQ, was awarded a gavel in recognition of being past president.
3. The program for the evening, which ran from 8:15 until 9:33, was given by N2KK, David Schoen. He gave an extremely interesting talk covering a recent DXpedition to 4S7, 8Q7, S79, 4W1, J2Ø, ST2, 6DØ (STØ). The trip which cost about \$15,000, not counting about \$35,000 lost income, was described in detail and most interestingly. Difficulties in getting permission to operate, confiscation of equipment in Southern Sudan, and having passport picked up were told about. Approximately 20,000 QSO's were made during the trip, including several California stations on 40 and 80 meters, from various locations.
4. After a break from 9:33 until 9:49 the meeting resumed with announcements:

N6IC has about 6 rubber stamps left for sale.; W6GC asks for dues to be paid.; Some rooms still available at Visalia for the DX convention.; A contest for the design of a proposed club QSL card was suggested and input from the members at the next club meeting was requested.; W6ET, Dick Reimer, said that only a few members had paid him for decoders for the club repeater station.; Many inquiries have been received about the SCDXC Award. Neil Kaltman, K6SMF, is in charge of the award program.; The pink roster sheet of members is being updated.

The meeting was closed at 9:55 PM.

Perry Esten, W6PN
Secretary

1981 INT'L DX CONVENTION AT VISALIA

If you forgot to send in your preregistration forms for the big bash at Visalia on May 1, 2 and 3, or your plans now allow you to be there, it's not too late! Just phone 209-733-9000 at the Visalia Holiday Inn and make your room reservation. It may not be next to the pool but you should still be able to get in. Just bring \$33, an appetite, a big thirst and your sense of humor and join the other 500 or so DX'ers from California and around the world who will be there.

CLUB BADGES

Don't let the lack of a club badge keep you from going to Visalia because Irv Emig, club treasurer, will have them ready for you at the Holiday Inn in Visalia. If you have to miss Visalia, you can get them at the June meeting. "You" is: N6AUO, N6NS, K6SKA, W6TJS, K3VA/6, K6GX, K6YRD.

PERSONAL PROFILE - Norman F. Wasson, W6NNV

Norm started out in West Alhambra as an SWL building crystal sets in 1931 and a 2 tube regenerative receiver, the "Doerle DXer", in 1932. He first heard the famous "Kookaburra bird" from VK2ME, Melbourne, in early 1933 on the 31 meter band. During 1933 Norm learned the code by keying a Ford coil and battery. After he realized he was "getting out", he went QRP and switched to a door bell buzzer. Norm got his license and call W6NNV in April 1936 and soon got on the air with a 1-tube tuned-plate, tuned-grid xmtr with a 40 meter doublet antenna using lamp cord feeders. Various tubes were used - UX250 (audio tube), 210 and 245 - all triodes, with copper tubing tank coils mounted on beehive insulators. Due to limited finances, his power supply filters didn't allow a T9 signal. He finally left the "drifters club" and invested in a 7060 kc xtal from Leeds Radio Store in New York, using it in a push-pull oscillator circuit with a 53 dual triode receiving type tube. In early 1937 he added a 242A (50 watter) as an amplifier and with a 40 meter off-center fed Hertz antenna worked his first DX: KA1HR in Manila and J2NR in Tokyo. Later in the year, after replacing the 242A tube with the new Taylor T55, Norm worked PK1MJ, Rudy Madjid, in Java. Norm and Rudy had an eyeball meeting in Los Angeles several months ago - 43 years and several wars later. Rudy lost his radio gear during the Japanese invasion of Java but he managed to save a picture of Norm's 1937 station which he received after their initial QSO. Norm also remembers working Gene Real, K6OJ (ex W6PUY) about 1½ blocks away by keying the antenna of his regenerative receiver. Another DX QSO was made with W6OWU (now deceased) using a 25 watt light bulb on long path blinker approx 2 blocks away.

Norm believes his most thrilling DX contact was AC4YN in July 1948, for zone 23 and WAZ certificate #36. (Old timers will remember AC4YN as probably the ultimate DX contact, going back more than 10 years before this QSO - quite a change from the current "exotic DX of the week" lists. Ed.) He believes the strangest place he worked was French India, FN8AD, and the strangest name, J.W.A. Micola Von Fürstenrecht, op of PK1MF. Rudy, PK1MJ, recently advised Norm that PK1MF became a silent key about 2 years ago.

Norm was a charter member of the SCDXC, also serving as President (1957), secretary and Bulletin Editor. He holds WAZ certificate #36, DXCC #180 issued April 1948, and has over 300 countries confirmed.

Norm served in the Navy from 1942 to 1945. He taught radio and code at the U.S. Navy Radio School, Texas A&M, and later as RM 1/C taught at the Special Advanced radio operators school in Chicago at the end of WW II. Norm left the service in December 1945 and went to work for the So. Calif. Gas Co. He worked in all branches of the Gas Co. until 1970 when he started development on an in-house TV system. He is now a Training Specialist working as a video specialist and graphics designer for the Gas Co. training department. Norm says he may retire in about 3 years. Norm currently resides in Arcadia with his wife Suzi. Their children are all married and they have 6 grandchildren - but no hams among them - yet!

Norm sums up his total ham experience with a familiar nostalgic theme: "I have really had an enjoyable hobby in radio - DXing and all other phases. Something like the dream a young kid gets at 13 years of age when hearing a station 10,000 miles away and building it into a real pleasurable life-long hobby." We couldn't have said it better Norm.

STEVE ORLAND, AA6AA's 5 BAND WAZ ENCORE

In January we announced Steve's spectacular feat of being the first West Coast station to qualify for CQ's 5 band WAZ award. Steve had no sooner received his certificate #4 for the 5BWAZ when he announced that he has now done it in both CW and SSB modes - that's 400 contacts and 400 cards! Ok Steve, now what will you do to top that?

NEW DX PUBLICATION

Alan Leith, former editor of Long Skip, (which is published by the Canadian DX Association), has recently started a new bi-weekly DX-report appropriately named DX-REPORT. You may have noticed this publication as a source of some of the info in our DX Calendar recently. This is a concise, single page publication with some real goodies. Obviously only a few of its goodies get into the Bulletin's DX-Calendar so if you thirst for more, drop a line to Alan Leith, VE3FRA, 10 Fairington Crescent, St. Catherines, Ontario, Canada L2N 5W3 and Alan will send you a sample copy and subscription rates.

W6GO/K6HHD LIST

Jay & Jan O'Brien have just celebrated the first anniversary of their excellent QSL Manager List. Most valuable to anyone who works DX, each issue has about 5,000 listings. Details from Box 700, Rio Linda, CA 95673.

W6AM OPEN HOUSE

Save Saturday, June 20, 1-5 PM for the annual visitors day at W6AM's Palos Verdes shack. Directions to get there will be in the June Bulletin.

2 METER DX INFORMATION ROUND TABLE

Don't forget to tune in each Thursday evening at 1930 on our SCDXC "family hour" conducted by Roy, N6TK and Kathy, AA6TK. That's 7:30 PM PST, 0330Z, UCT, GMT.

SHORTWAVE PROPAGATION HANDBOOK

Autographed copies of the Shortwave Propagation Handbook, by George Jacobs, W3ASK, and Ted Cohen, N4XX, can be obtained stateside for \$7.50 postpaid from: MAIL-A-PROP, P.O. Box 1714, Silver Spring, MD 20902.
